When the investor finds themselves to be KYC Non Compliant, they have to follow the below process :

- Use applicants PAN Number
- > Use applicants Date of Birth / Date of Incorporation as specified on the PAN Card
- > The status page will provide KYC Status with discrepancy / reason for non-compliance.
- > The Applicant can connect with their Deutsche Bank Account manager / Representative and provide the details which are missing as specified on the KRA website.
- Deutsche Bank being the applicant's custodian will arrange to update the document on KRA to complete the KYC record as KYC compliant.
