

Entrepreneurial support is the ingredient of success

HOT BREAD KITCHEN

Based in East Harlem, Hot Bread Kitchen is creating economic opportunity through careers in food. By providing professional culinary training, business support and affordable access to commercial kitchen facilities, Hot Bread Kitchen helps bakers and business owners achieve economic stability.

Innovative social enterprises like this focus on opportunity and celebrate a diverse community and workforce. *Made for Good* provides financial and volunteer support to innovators like Hot Bread Kitchen, helping to scale and grow their impact — and create a recipe for economic independence.
